Art Unit: 2612

Allowable Subject Matter

1. The following is an examiner's statement of reasons for allowance: Prior art fails to show a criteria changing section that contingent on the detection of lane defining line in terms of determining a lane deviation tendency. In addition, the criteria changing means changes the anticipated deviation time to increase the influence of the yaw angle on the calculation of the forward-observed-point lateral-displacement.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

2. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.
